First, we must look at some ideas from Isaiah (I-say-ah). Can you find it in the Bible? It is in the old new testament.

Isa. 40:5 Isa. 7:14 Isa.9:6

What is he talking about?

Now find Luke in the Bible. It is in the old new testament. There will be angels in this story. Before we start, look up what Mrs. Eddy says about them. *Science and Health P. 581:4.*

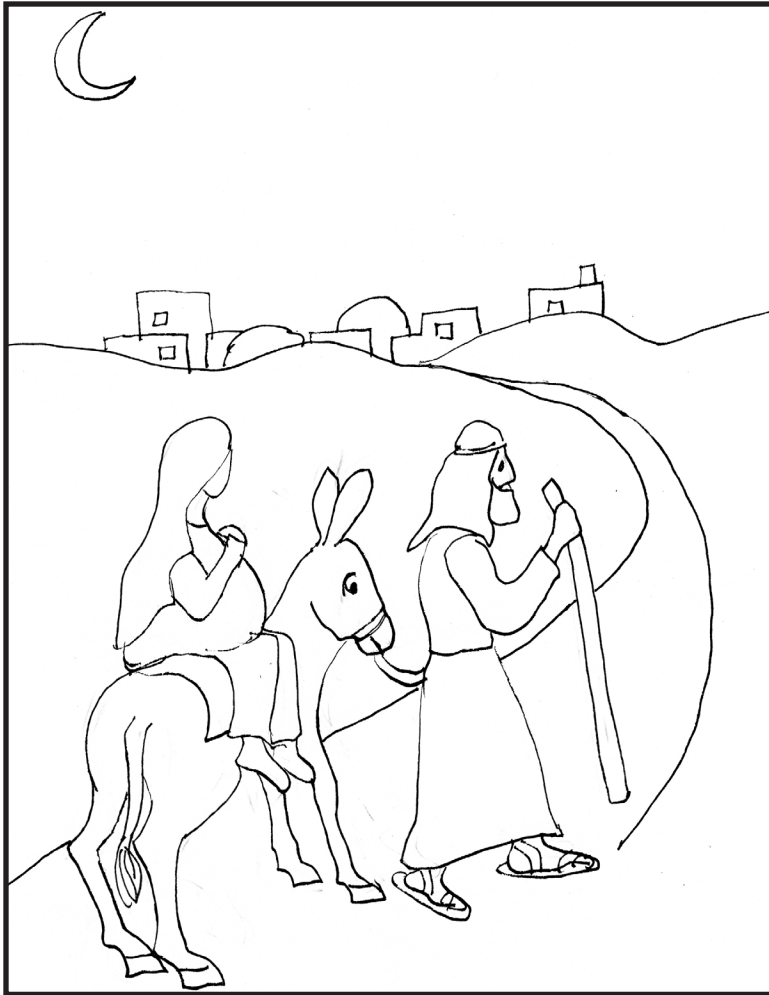

An angel comes to a young girl named Mary. He tells her that she will have a baby. She says that she is not even married. The angel tells her that the baby will be the son of God.

They all followed a big star and came to see the baby. The wise men had gifts. Draw it here. How many things from the story can you put in?

A nice man named Joseph says that he will marry Mary to help take care of the baby. Just before the baby comes they have to go to Bethlehem to pay the taxes. There are so many people there that there is no room for them to stay in.

Some men were taking care of sheep at night. An angel told them about the special baby. The angel must have told the wise men too.
