Once there was a man named Naaman. He was a very important and powerful man but he had a skin disease. A little girl who worked for his wife told him about Elisha. She said that Elisha healed people.

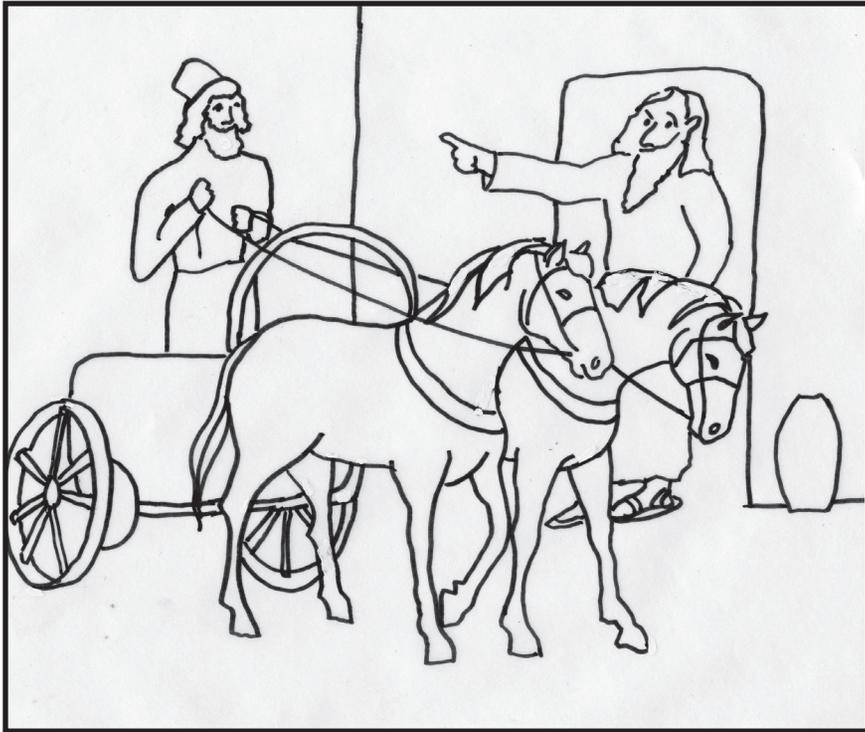

Did you know what was going to happen? Do you think that his thinking changed too?

Look up Psalms 24: 3-5.  
“ascend” (ah send) means to go up  
“righteousness” means right-ness

How is this like the 6th Beatitude?

We are the image and likeness of God.  
When we really SEE Him, then we are  
like Him. He is all good so when we see  
Him as He really is we are healed of  
whatever problem we have.

He went to see Elisha but, Elisha did not even come out of his house! He told him to go wash in the River Jordan (2+5= ) \_\_\_\_ times. Naaman was really mad. He did not want to go wash in some local river. He had better rivers at home! Who did this Elisha guy think he was? He did not even show him any respect!

Do you know what this word means? If it takes your thinking away from God, it is a bad thing.

Do you think that Naaman had a problem with this sin? yes no  
 So, did Naaman need to be healed only on the outside of his body?

His men had to calm him down. They told him that if Elisha had asked him to do something big, something important, he would have done it. So when Elisha told him to do something simple, why should it be a big deal? So they went down to the River Jordan. What do you think happened?
