One day a man came shouting at Jesus. The man was not in his right mind. The Bible says that he had an “unclean devil.”

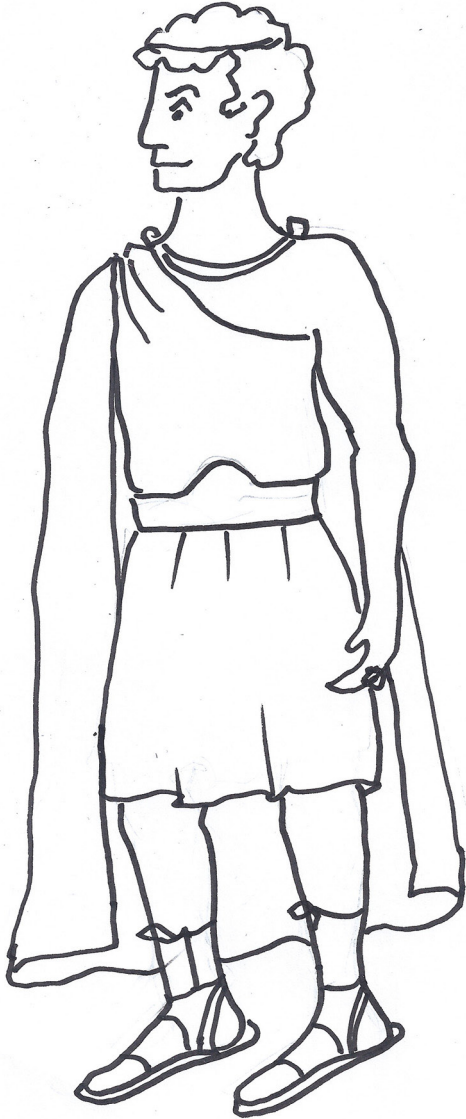

He said, “I know who you are, the

Jesus said, “Hold thy peace and come out of him.” He ordered the devil out of the man and it went.!

Another time, there was a Centurion whose servant was sick. (A Centurion was a Roman commander. He was powerful and controlled 100 men.)

The Centurion sent some of his other servants to ask Jesus to heal the one that was sick. He said he understood how to give orders and have them obeyed. He told Jesus he did not have to come to his house to heal the servant, just give the order.

Jesus did and the servant was healed!
