Who is this? He has only one God.
He likes to pray. We do not like him.
We will get him.

It is daytime. What did the lions do?
Are you in there? I am fine, oh King.
God has helped me. He keeps me
safe.

Have you ever been in a place that felt
like a lion's den?

What name for God helps you be safe
wherever you are?

The King likes him. We will trick the King. We will make a new law, then he cannot pray to his God. If he does we will get him!

Now we have got him! He will have to go in there. That will be the end of him!
