We think of “sin” as being bad. The word comes from this sport. It means to “miss the mark.” Our “aim” is to keep God’s laws. The _____ commandments are laws from God. Jesus said that the 10 commandments are about 2 things

- 1) Loving God with everything
- 2) Love others as we love ourselves

On the next page, check it out. Draw a line from each commandment to one of these 2 laws. See if they all fit!

This man was like a lost sheep.
 He had not walked for 38 years!
 Jesus healed him and told him not to sin
 any more. Sin always brings bad stuff.
 Thank goodness we can aim right!

Mary Baker Eddy gave us 6 basic things you have to do to be a Christian Scientist. Here is Number 6. Read it with an adult to help you because there are big words. What does it have to do with “Atonement?” If you understand it and want to sign the promise, do so at the bottom.

“And we solemnly promise to watch, and pray for that Wind to be in us which was also in Christ Jesus; to do unto others as we would have them do unto us; and to be merciful, just, and pure.”

Science and Health p. 497: 24

1) Thou shalt have no other Gods before me.

2) Thou shalt not make any graven images.

3) Thou shalt not take the name of the Lord thy God in vain.

4) Remember the sabbath day to keep it holy.

5) Honor thy father and thy mother.

6) Thou shalt not kill.

7) Thou shalt not commit adultery.

8) Thou shalt not steal.

9) Thou shalt not bear false witness.

10) Thou shalt not covet.

Love God with everything

Love others as you love yourself

God is like a shepherd who has 100 sheep. If he loses one of them, he will leave the 99 so he can go to find the missing one. God loves us so much that if we “miss the mark”

He will come and find us.
(Luke 15)
