One day some people were coming to see Jesus. They had a friend who did not hear and did not speak very well. They said, “Jesus will heal him.” We will go see Jesus.

Jesus took the man away from all the people. He put his hands on the man's ears and then he spat and put his finger on the man's lips.

Jesus looked up and said, "Be open." The man was healed. He spoke and heard well. Jesus told him not to tell anybody about the healing. The man just kept telling everyone!
