One day Abraham said to himself, “My son, Isaac, is growing up! I must find a nice girl for him to marry.”

So Abraham called his servant and sent him to find a nice girl back in the country they came from. The servant packed up the camels and went to find the girl.

On the way, the servant was praying,
“How will I know which is the right one?”
An angel message came to him.

She must be good as well as beautiful.
Ask for a drink of water. If she gives you
water and then gets a drink for the
camels too, then you will know.

Along came Rebekah to the well with
her pitcher. He asked her for a drink of
water. What do you think she did?

That is right! She even gave the
camels water to drink.

She went with the servant and the
camels to meet Isaac. It was love at first
sight!
